Department knife & blade safety instructions

Training details:

Practical demonstration by instructor

Practical demonstration by trainee

The following training and information record is to support the toolbox induction training for the safe use, blade changing, and disposal and company policy arrangements for SK Series safety cutters.

Employee Acknowledgment

I acknowledge that I have received induction awareness training in the policies, procedures, & risk assessments as described including a practical demonstration of the Detectamet safety knife, and am aware of the correct applications and limitations for the safe use, maintenance and blade issue/disposal arrangements of the equipment.

I also acknowledge that it is an offence to misuse or interfere with anything that has been provided in the interest of health and safety and this includes making unauthorised modifications to the equipment as provided.
